We are nearing completion of the renovation of our narthex as I write this letter. The walls have been painted; the plumbing fixtures are installed; the floors are installed; even the sanctuary itself received a new paint job. All that remains is to put the finishing touches on the project.

As with any remodeling project, there have been bumps along the way. We were optimistically hoping that the project would be done by Easter or a little after. That didn't happen. Plans change. Things don't always work out exactly the way we would like them to. But in the end, we're getting a great finished product. If you haven't gotten a chance to see our newly-renovated narthex and restrooms, you should. The finished product is beautiful.

Numerous members of Trinity along with others in the community deserve credit for all the hours of work they put in to make this renovation happen. I won't attempt to list all of them, in fact, out of fear of missing someone! We will formally recognize the volunteers and donors who made all of it possible in a dedication event later this summer.

It's important to understand now, though, that as the psalmist writes (see above), unless the Lord is part of our building projects, the projects are pointless. Without keeping the mission of the Church in mind, our projects, even when they look great, will ultimately fail. As a church, we are to preach Christ and Him crucified. Without that Gospel message, there is no reason for us to even exist.

God has certainly been with Trinity Lutheran Church over the years. As we look back over 128 years of history, we can plainly see that. Our completed narthex is not just a testimony to the efforts of those who volunteered their time, talent, and treasures; it is a testament to God's work among us!

God's Blessings! Pastor Vandercook

CHRISTIAN EDUCATION All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, ¹⁷so that the servant of God may be thoroughly equipped for every good work.

2 Timothy 3:16-17 (NIV)

These verses from 2 Timothy chapter 3 come from a section called All Scripture is Breathed Out by God (ESV). In this section, Paul gives his final charge to young Timothy, pointing to himself as an example of a Godly man, a man who firmly believed in the Gospel and dedicated his entire life to spreading the good news. Paul lovingly mentored Timothy from childhood and taught him to hold to the holy scriptures which reveal the basic teachings about Jesus that are fundamentally true. Paul wrote this letter from a Roman prison cell to emphasize the importance of faithfully teaching the Word in opposition to false teachers and to give final encouragement to young Timothy, pastor of the church of Ephesus. In 2 Timothy, the Lord is calling you to cling faithfully to His inspired Word. The Word of God is truth and the truth never changes. However, in today's postmodern world, people are the final reference points for truth. Truth in this sense is relative. This essentially leads to the belief that what you believe to be right and what I believe to be right can both be right. Therefore, two mutually opposed systems may be right. However, truth needs to correspond to reality. Reality, not our preferences, needs to be the ultimate source and authority for truth. Relativism robs all of our arguments for Christianity of any significance. It makes the defense of supposed truth meaningless.

Dear friends in Christ, we must guard ourselves from moral relativism and instead embrace the inspired Word of God as the ultimate authority. Scripture is relevant in all ages and at all times (1 John 2:12-14). We see in 2 Timothy 3:16-17 that scripture is God-breathed. God-breathed literally means that God breathed life into all things, including the Word of God. God breathed life into

all things and sustains and governs all things. Therefore scripture is completely trustworthy because God was in control of its writing, not humans. It is not a human book. It's words are entirely authoritative for our faith and life. We see and know that the Bible is not a collection of stories, fables, myths, or merely human ideas about God. The whole Bible is God's inspired word. Reading scripture as the inspired, inherent Word of God has eternal implications. As broken people living in a sinful world, we sometimes lose sight of what's true. We look to science and reason to give us all of life's answers instead of turning to God....even when the scriptures are right there in front of us! What we always need to keep in perspective above all things is that God's Word is our standard for testing everything else that claims to be true. It is our safeguard against false teachings and our source of guidance for how we should live. Western society, pop-culture, and moral relativism fool us into thinking that we define our own truth. These influences pull us in the opposite direction of God and have the potential to mislead us into thinking that we don't need God's Word as long as we are living what we deem to be a righteous life. You are not your own authority on truth, especially in regards to spiritual matters. God alone and His Word alone are our only source of guidance. Applying God's Word to your everyday life leads to a life of blessing and fulfillment because you are no longer living for yourself, you are seeking to align your will with God's. Without God's scripture, I would be utterly blind, aimlessly wandering through life chasing after and longing for something more. God's Word is relevant. It is true. God desires for you to seek Him out and have a relationship with Him. Read God's Word, refer to it in all things, and use its teachings to guide your conduct daily.

Katie Thomas

Slow Down

Walk a little slower, Daddy, said a little child so small.

I'm following in your footsteps and I don't want to fall.

Sometimes your steps are very fast; sometimes they're hard to see.

So walk a little slower, Daddy, for you are leading me.

Someday when I'm all grown up, you're what I want to be.

Then I will have a little child who'll want to follow me.

And I would want to lead just right, and know that I was true;

So walk a little slower, Daddy, for I must follow you.

Pantry News

In April we were able to distribute food to 184 families, which helped feed 611 individuals. This is 43 more families and 205 more individuals compared to last year in April. We will always have a need for paper grocery bags. Please save them for us.

Every now and then we hear a person tell us that they would like to help and do something at the pantry but don't want to get involved as much as some people are. No problem, we can make it as light or as much as you desire. There is no better feeling than to do something out of the kindness of your heart just because you want to

without any strings attached. Church Planning Meeting

is set for Monday June 13th at 6:30 pm. All committees and groups or representative from all boards and auxiliary organizations that need to be on the church calendar (July 2011-January 2012) should attend.

The purpose of this session is to coordinate the working calendar for the Boards, Committees, and Auxiliary Organizations of Trinity congregation.

Since the planning meeting is closely scheduled before the Church Council meeting, please be prompt and prepared. It is important to preplan events and to spend our time efficiently.

Annual TLC Barbecue! Are you ready for some barbecue - some fellowship? If your

answer is yes, then mark your calendar for Sunday, August 14th. That's the date for this year's annual TLC barbecue at the KC Hall. It may seem like a long way off, but if you're planning on making something for the auction, now is the time to get started on that project. Less than three months, and we'll be there! Watch the stores for special sales, or get your artistic side in high gear - it's so much fun to see handcrafted items that have been made with love by our friends. If you have a desire to help in any way with the fundraiser, please call the church office. We have committees that peel potatoes, fix beans, do the actual barbecuing, fill plates, help set up auction items, work the country store, sell desserts, serve tea, have kids' games, help clean up afterwards - get the idea??—there's a place for anyone and everyone to serve - just let us know that you are interested!! AUGUST 14TH—PUT IT ON YOUR CALENDAR—tell all your friends to come - it's great food, great fellowship (in air-conditioned comfort), and a great way for us to show our love for our Savior through serving others.

One special request from the auction and country store committees - please try to have your items at the church the day before, or even the week before. Just have your name and the fair market value of the item on a piece of paper. We will do the rest. If you need something picked up, please call George or Janice Wied at 865-8357.

PandaMania VBS 2011 is still in need of CREW LEADERS. Crew leaders are the kids guide through VBS week. Sign-up sheets are posted on the bulletin board in the narthex or back of church. We can use all the help we can get to make this year's VBS a success!

We need food donations. Please support TLC PandaMania VBS by signing up to donate food items for Tree Top Treats. Sign-up sheets can be found on the windows of the glass room. Please bring all donations by Sunday, June 12, 2011. If you have any questions or would like to help out, contact Leslie Pacher 979-885-8297.

Preschool Graduation Ceremony went very well as all the pre-kindergarten children sang and received their little

diplomas. It is amazing what these children can learn in chapel. As the children go forth into kindergarten, please keep them in your prayers.

Thank you to the Elders, Church Council and Congregation for the use of this facility so we may have this opportunity to teach the love of our Lord and Savior so His love continues to grow in all the children as they prepare for the future.

Thank you to Pastor David Vandercook and DCE Katie Thomas in taking time to share the love of our Lord with bible stories during chapel time.

May God's blessing continue to nurture and grow through all of us with His love.

In Christ, Ms. Maggie

Volunteer Drivers Needed!

Cancer patients need your help to get to treatment. The American Cancer Society needs volunteers to drive cancer patients in or community to and from their treatment appointments.

Having cancer is hard. Finding help shouldn't be. That's why the American Cancer Society offers a number of services to help people with cancer and their families overcome obstacles in their personal cancer fight so they can focus on getting better.

One of the toughest challenges patients face is getting to and from much-needed cancer treatments. They may be too sick to drive themselves, may not have a car or someone to drive them, or may not be able to afford gas or other transportation costs. The American Cancer Society provides patients with rides to treatment centers, and that's where you can help.

Your American Cancer Society is looking for individuals who can use their own vehicles to take patients who are undergoing cancer treatment to and from their appointments. If you know anyone in your congregation who has a few hours to spare and would like to make a difference in someone's life, please encourage them to contact us at 979-776-1464
