Trinity Lutheran Preschool

Trinity Lutheran Preschool is committed to Christian education. Our Christian preschool is an extension of the mission and ministry of Trinity Lutheran Church. Through the school, we reach the younger children of our community, teaching them in a spiritual environment. We teach them how to use the Bible, God's Word for development of their faith, for a guide in life, and as a primary evangelism tool.

Mission Statement

Trinity Lutheran Preschool is a ministry to families. We teach that Jesus Christ is central to pre-learning. Our purpose is to have caring interaction among students and between students and teachers, who prepare children for a lifetime of learning.

Goals

Trinity Lutheran Preschool Program goals for the children include: Growing in understanding of God and His care, developing a positive self-image and building relationships with others, learning and developing an appreciation for art, music, poems, and books, and learning by doing, observing, and experimenting.

Chapel Services

During the week the children attend Chapel in the sanctuary. During this time the children learn the Pledge to the United States Flag, Pledge to the Christian Flag, Pledge to the Bible, Pledge to the Cross, The Lord's Prayer, Ten Commandments, Bible Stories, songs and finger plays.

Praying with children reflect and share what they are thankful for. Even our two year old children begin to understand this concept and are excited to share that they are thankful for mommy and daddy. Teachers help to model this concept by also sharing what they are thankful for.

Pastor Ken Bersche has Chapel with the children every Wednesday. The children listen to Pastor as he tells the stories from God's Word, the Bible. They learn to pray and learn about worship. All the children enjoy listening to Pastor Bersche and this is a special part of the week for all the children.

The children participate one Sunday to sing in front of the congregation and their families. Everyone's heart fills with joy to hear these children perform.

Curriculum

Our school uses a Christian based curriculum promoting learning while helping children meet their language, social, physical, cognitive and spiritual goals.

Each day preschoolers take part in circle time learning standards lessons around letters, numbers, colors and shapes, days of the week, months of the year, rote count and so much more.

Along with standard lessons, we teach motor skills such as pasting, gluing, tracing, dot-to-dot, coloring, beads, painting and games. Language and math skills are taught by hands on learning. Children learn matching, go-together, sequencing, lotto's, letter sound matches, and picture sound matches. Ongoing skills are practiced everyday such as listening, following directions, and manners.

Trinity Lutheran has learning centers which allows the children to play cooperatively and investigate language, roles, materials, and relationship's and encourages children to learn at their own pace with material that meet individual needs and level of development.

Trinity Lutheran Preschool staff attends child care education conferences with professionals teaching us to prepare the children from youngest to oldest for kindergarten.

Walking field trips and in house visits focus on fun and bring an educational experience. Guest speakers from the community visit the preschool teaching the children about 911 safety, gun safety, water safety, stranger danger, bike safety, dentistry, being a fire fighter and police officer. Having different community figures attend Trinity inspire a child's mind to explore what they want to be when they grow up.

Fees

A non-refundable annual registration fee is due at the time of registration. The registration fee defrays the cost of the supplies for each child. A tuition fee is charged to help defray the cost of operating the preschool program.
