What is the purpose of a scholarship for a child at Trinity

Lutheran Preschool? Trinity Lutheran Preschool prepares children for success in school and life. Our curriculum is designed to challenge children academically and help them develop essential social and emotional skills. We teach preschoolers how to resolve conflicts and be respectful of others. Most of all we teach Jesus and the love He has for all of us. When a child learns the Ten Commandments, he/she can simply understand right and wrong. 'You shall love the Lord your God with all your heart, and with all your soul, and with all your might. (Mark 12:30) ***Please, please if you can help a child attend preschool, please give to***
