

The Sealy Christian Pantry

The Sealy Christian Pantry was founded in 1987 with a Mission Statement -- **“to demonstrate Christian love by providing food to people in need.”** The Pantry is still in operation today. Over the years, the Pantry has faced many challenges, but Trinity Lutheran Church has always been a constant supporter.

The Pantry is run solely by volunteers and operates from donations only. The Pantry is currently serving approximately 350 families twice a month from a temporary location at LifeBridge Church. A new building is under construction and is due to be completed by the end of 2024.

The Pantry is open to distribute food, and other non-food items, **every Wednesday morning from 9:00 a.m. until 12:00 noon.** The address at the temporary location is **2162 FM 2187 in Sealy** and the phone number is **979-885-3866.** You can reach Pantry volunteers at this number if you are in need of food, or if you would like to volunteer to serve.
